

2023 Great Lakes CHALLENGE

MODEL CONTEST - OCTOBER 7, 2023

West Michigan Aviation Academy - 5363 44th Street SE, Grand Rapids, MI 49512

VENDOR APPLICATION

Thank you for your interest in being a Vendor. The West Michigan Aviation Academy is a modern facility with the room for us to give all our vendors the space they need to display their products along with wide aisles for model contestants and spectators. On the backside you will find the layout of the vendor area with all the tables numbered. Tables along the South and East walls have power available, so if you need power, please be sure to reserve one of those tables as early as possible. Note: Tables must be paid in full for them to be reserved.

From the table layout map choose your table(s) locations. If you want specific tables, contact us first to see if they are still available. Tables without numbers are already reserved.

We are planning to have Vendor Setup on Friday night (10/6) from 6 to 9pm, and on Saturday (10/7) from 7 to 9am. Vendors will not have to be out of the facility until 6pm on Saturday. The Awards Ceremony will be in the Model Contest Display room and will conclude at 6pm.

Questions: Contact – Michael Cartwright at cartsart55@gmail.com
